- Worked as ad-hoc Guest Lectures (Assistant Professor) in Delhi University, in Botany and Life Sciences (for two years).
- Worked as Visiting Faculty, Environmental studies, for B.Ed. classes, Sanskriti Institute of Advance Studies (SIAS) Kavinagar, Ghaziabad, (2002-2004)

Research Experience

Pre Ph.D. Research Work:

Topic: “The utilization of Agro-forestry waste biomass as an extensive fuel.” at the Department of Botany, M.M.H. College, Ghaziabad (C.C.S. University, Meerut) with the collaboration of Department of Biochemistry, Unit- Biomass, IIT, Delhi, for technical know-how and as facilitation center.

Ph.D. Work:

Topic: “Comparative studies on habitat and storage specificity of certain Medicinal Plants” from Department of Botany, M.M.H. (Post Graduate & Research) College Ghaziabad (C.C.S. University, Meerut),

Scientific Advisor (Quality Control):

Herbal drug based pharmacy unit, Amogh Pharmaceuticals Pvt. Ltd., Meerut Road Indus area, Ghaziabad

Research Guide:

Research Scholars:

1. Shadab Ali

Topic: Isolation and characterization of Heavy Metals chewing soil Microbes

2. Arvind Kumar

Topic: “Comparative Studies of Certain Medicinal Plants with Their Adulterated Plants”.

Project Investigator (PI):

Project:

“Sustainable development and in-situ conservation program for rare and common Medicinal Plants by gardens set up in the Western U.P. Institutes (Schools, Colleges, and Community Centers)”

Sponsored by: **National Medicinal Plant Board (NMPB), New Delhi, Ministry of AYUSH, (Formerly Ministry of Health & Family Welfare) Govt. of India**
