CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The academic session commences with admission process which is in accordance with University guidelines. The admission process is controlled by the University and it is on merit based. The institution works out the admission process at the college level. For this work, specific committees are constituted to carry out different admission processes. After admission in different courses a general time table committee is formed to formulate time table accordingly. The time table is formulated at three levels – College level, Departmental level and Individual faculty level. The institution has both Annual system (for under graduate classes) as well as semester system (for post graduate classes and self finance courses). The syllabus for both level is prescribed by the University & the institution implements these syllabi through regular classes, practical classes, demonstrating smart classes, field project, seminars, workshops, etc. The extracurricular activities are also promoted by the institution for all-round development and welfare of the students. These include NSS, NCC, Rovers and Rangers, Women Cell, Sports, Cultural Council, IPR Cell and Publication cell. The purpose of these extracurricular activities is to inculcate and enhance the quality of discipline, team work, equality, gender sensitivity, awareness about environment and social responsibility etc.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Evaluation policy for each course is fixed well in advanced and is communicated to students at the beginning of an academic year. Two written tests and two quizzes are conducted internally before the final examination is conducted by the university. Assignments/Seminars also form part of the internal evaluation process. Combined score of two internal tests, two quizzes and assignments/seminars is sent to the University (these marks have 50 credit in a student's final Score). The passing marks (combined score in the internal assessment) is the criteria to appear in final University exams. Evaluation of answer sheets of internal examination is completed within one week from the date of examination and marks of individual subjects are displayed within the following two weeks. A minimum of 75 attendance in each course separately has to be necessarily obtained by the students to appear for the final examinations.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

University had implemented semester system in the year 2010 at the post-graduate level while annual system continues at the under-graduate level. For both the cases, academic calendar (date of commencement of teaching, dates of external examinations, list of holidays, etc.) is prepared by the affiliating University. The College follows the academic calendar provided by the university. The planning and organization of teaching, learning and evaluation of all the courses of each discipline is done by a committee which consists of

the Principal, members of time-table committee, members of examination committee and Head of every department of the college. The time-table committee of the college prepares comprehensive time-table for all the faculties and allots classrooms as per the requirements of the timetable. The departmental time-table committee then prepares a detailed time-table for their respective departments in accordance with centralized time-table of the college.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Institutional distinctiveness The Institution was established in the year 1957 by RaiBahadur Multanimal Modi- who was an educationist and philanthropist. The dream was to spread thelight of education and awaken the people from darkness of ignorance, poverty and illiteracy. Themotto of the college rightfully enshrined "tamsomaajyotirgamaya" meaning from darkness towardslight. Since then the college has strived towards realization of this motto in its every effort atachieving highest level of educational and social well being for all. No doubt, this determinedfocus on obliterating the darkness of ignorance and illiteracy in the society has been theinstitutional distinctive feature. The college strives to promote academic excellence throughhighly qualified faculty, invited lectures of renowned subject experts and educational tours.Several government sponsored scholarships for the students run successfully in the college (UGC,SamajkalyanVibhag). Another boost in this direction comes from a NRI scholarship (every year) thatoffers promising incentives to meritorious students each year and is privately sponsored by meritorious alumni of this college. The college prides itself in sustaining an active physicaleducation department, which regularly conducts sports activities (several field and track eventsand two days' annual sports day organization) for all round development and physical fitness ofits students. The college has a vast sports field (Athletic track – 200 Meter, basket ball court – 28.6Meter×15.24Meter, Badminton court – 13.4Meter×6.1Meter, Volleyball court – 18Meter×Meter, Kho-Kho court – 27Meter×16Meter, Gymnasium – 8Meter×3Meter and Kabbaddi court-13Meter×10Meter).Physical education has an important role in developing the competence and confidence of studentsto conduct their lives both in and out of the college and become responsible citizens. The mottoof moving towards light from darkness cannot be achieved if the young generation is oblivious ofits surrounding issues. Creating awareness about issues in education, environment and socialaspects is always a priority issue of the college. Education: Intellectual Property (IP) is one ofthe key drivers to run the current global economy. India is among one of the countries havinggreat human resource as young population having great creative and innovative mind. Consideringthis immense potential, teaching and imparting knowledgerelated to Intellectual Property Right(IPR) is very much important and can be done through the institute. The setting up of Intellectual Property Rights Cell (IPR Cell) is an encouragingstep in this direction. The IPR cell impart and disseminate the knowledge and skill related withIP rights by organizing national seminar, seminar at college level, invited lecture and lecturedelivered by cell to the other institutions. E-learning: 10 computers installed in the centrallibrary for accessing information, software based learning, online learning for various topics andsubjects, journal search etc. Environment: celebration of environment day, wild life week, worldwetland day, energy conservation day etc on regular basis is a big step in creating environmentawareness. Institutional volunteer committees like NCC, NSS, ROVERS-RANGERS
