## MESSAGE FROM THE VICE-CHANCELLOR

It is heartening to know that Multanimal Modi College, Modinagar is bringing out its quarterly Newsletter. It is a commendable effort aimed at harnessing creative skills of the students by providing them a forum to express their views on various important issues. I wish the Newsletter go a long way in accomplishing the goal of value education.

I convey my good wishes and felicitations to the Principal, members of faculty and students for bringing out such a prestigious publication.

  
(N.K. Taneja)  
Vice-Chancellor

## MESSAGE FROM THE HONORABLE CHAIRMAN

It gives me great pleasure to know that MM College is bringing out its latest newsletter. The newsletter provides a worthy platform to showcase the budding talents of the institution, as well as various activities organized by the staff. My best wishes to the editorial team.

  
Dr. D.K. Modi  
Chairman

## HEALTH CORNER

### ROSE

A Rose is a woody perennial flowering plant. Rose water is used as a perfume due to its sweet scent, but it has medicinal and culinary values as well. Rose water can usually be used without any side effects. Rose water contains numerous powerful antioxidants. Recent research has found that it can help to relax the central nervous system. Herbalist Kiva Rose uses roses as food and medicine and especially the powerful rose elixir. Rose elixir is exceptionally uplifting and can be used to relieve trauma, grief, depression, anxiety and chronic stress and fatigue.
