(2021-22)

About College:

Multanimal Modi College is a co-educational Govt. Aided College located in Modinagar. It was established in 1957 by the well-known Industrialist Modi family for upliftment of the society, and fulfills the need of Higher Education for the public of Modinagar and adjoining areas. Hon'ble Late Seth Kedarnath Modi gave his special attention and took great interest in the development of the College and since then the College has achieved new heights. Nineteen Programmes/Departments are running in the college and approximately 3,000 students are studying in the college in several courses. In the academic session 2021-22, there were 2490 students in regular courses and 331 students in self- finance courses. At present in the academic session 2022-23 admission process is going on.

A. College Infrastructure:

I.. Library: Central Library of the College is well equipped and fully computerized. Approx. 1.50 lakhs books are available in the Central Library. The library is rich not only with text books, but also with research journals and magazines. Works of Indian and foreign authors are also available in the library. There are separate sections for Sciences, Arts and Commerce in the library. Three books are issued to each student at one time and thus she/he can consult many books one by one. An E-library was also set up with 05 computers. College library has a well-equipped, automated (SOUL 3.0) and spacious reading room, in which many newspapers, magazines etc. are available for students as well as teachers. Many Indian and foreign journals are subscribed in the library that are easily accessible to students, College has subscribed to N-LIST and DELNET, online resources through which faculty members, students of post-graduate classes, and research scholars can access a wide range of journals, books, magazines, etc.

II. Dr. Rangnathan Library for Professional Studies: From the session 2016-17, a separate Central library named as "Dr. Rangnathan Library for Professional Studies" has been running successfully for all self-financed professional courses, such as BBA, BCA, BPES, B.Lib., M.Sc. (Biotechnology) and NIELIT courses 'O' level, 'CCC' & 'BCC'. This library has a collection of more than 8500 books and subscribes to many research journals.

III. Lecture Rooms: From UGC-CPE grant, eight classrooms have been converted into well-furnished and fully equipped smart classes. Smart classes are the basic need of teaching in the current scenario. Besides smart classes, 35 lecture rooms are also available in college for teaching.

IV.Laboratories: The College now has well-equipped laboratories in the Department of Chemistry, Botany, Zoology and Physics Departments. Many advanced equipment are installed in laboratories for Research, and for conducting practical classes for the students.

V. Computer Laboratories: The College has approx. 200 computers now. Three computer labs are running in various departments of the college. An annual maintenance contract (AMC) has been extended for further one year to maintain all the hardware of the College.

VI. Microsoft Edu cloud: By the grace of President Sir, the College has licensed software for all the computers available in the College under the *Microsoft Edu cloud* which consists of the latest licensed version of MS-Window, MS-Office and Anti-virus.

VII. Local Area Network (LAN): A LAN system has been established in the entire College campus for using Internet facilities in which any staff or teacher will be able to access the data/work at any computer in the college campus. This system is controlled by a high-capacity IBM server which is installed in the IQAC office of the college.

VIII. Smart Class Rooms: The College is having 08 smart classrooms where the teaching learning process with the help of ICT tools are carried out to deliver in these classes is running very well.
