Best Practice- 02

Title: -Recitation of Panchatantra and other moral stories and poems along with performance of morning Yoga Asanas.

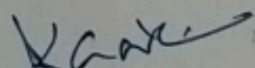

Department of Physical Education organizes recitation of moral stories and poems, imbued with nationalist spirit at least twice in a week in the institutional premise. In this activity students participate from every department. This activities are recorded audio-visually for documentation and in future representation.

These activities are inspired from the statements made by honourable Prime Minister Shri Narendra Modi, on several occasions where he talks to make future Generations a responsible, enlightened & nationalist citizen of India.

The institution believes in multidimensional personality development of students.

To achieve this aim, the institution not only focuses on the mental ability but also strives to augment their physical ability. It imbibes the spirit that a healthy mind thrives in a healthy body.

The aspirations of the institution are to extend this activities; we are trying to evolve new approaches so that these activities become more interactive and productive.
