### MESSAGE FROM THE HONORABLE CHAIRMAN

I am glad to know that the latest edition of the college newsletter is coming out. The newsletter has been a great success in highlighting the various activities and achievements of the college. My best wishes to the editorial team.

Dr. D.K. Modi  
Chairman

### MESSAGE

It gives me great pleasure to congratulate the editors and contributors of the Newsletter of Multanimal Modi College, Modinagar. It is a wonderful effort by the management of the college as well as the team that has worked so hard in compiling informative articles as well as details about the events that took place within the college in the past few months.

It is essential that we document activities taking place in a college and present them regularly to readers because these guide future planners of events as well as act as a repository of information of the activities undertaken in the college.

It was really interesting to know through the journal the wide variety of activities that have taken place in the college suggestive of it being a vibrant institution working for the all round development of its students.

I wish the management, staff and students of the college all the best in this endeavour.

Thanking you,  
Dr. Amit Pathak  
Founder,  
History and Culture Association

### DEPARTMENT OF ZOOLOGY
