#List of names of student benefitted is attached academic year wise as available with college. As fellowship data is obtained directly from the Department of Social Welfare, U.P. Government, contains only a number, therefore college is unable to provide as scholarship is directly disbursed into students' accounts. Sometimes the government carries forward the fellowship into the next financial year that makes it difficult to correlate the actual number of students applied and disbursed. Therefore, we have chosen to upload the data provided by the Department of Social Welfare, U.P. Government on their website pertaining to our college students applied for scholarship.
